

PhD Camilla Maria Widmark

Date of birth: 19730316

E-mail address: camilla.widmark@slu.se

Civil status: married to Robert Widmark (purchaser), two children (age 13 & 10)

Parental leave: 2003-03 – 2004-04 (full time) and 2005-06 – 2006-05 (part time)

Languages: Swedish (fluently), English (fluently), French (poorly), German (poorly)

Current position

- Senior researcher, Forest Policy, Department of Forest Economics, Swedish University of Agricultural Science, 2015-09 --
- Deputy head of department, Department of Forest Economics, Swedish University of Agricultural Sciences, 2013-04 --
- Assistant head of Department, responsible for questions concerning PhD education, Department of Forest Economics, 2010-01 –
- Researcher EFINORD, part time, 2016-01 –

Degree and past positions

PhD in Economics, Natural Resource Economics, 2009-05-15.

Post Doc, Forest Policy, at the Department of Forest Economics, Swedish University of Agricultural Science, (2009-09 – 2011-08).

Assistant professor, Forest Policy, Department of Forest Economics, Swedish University of Agricultural Science, 2011-09 – 2015-08

Pedagogic merits (since 2010)

Teaching

- SLU: Course organizer, supervisor and teacher, “Skogspolitik” (Forest Policy), master course, 7,5 credits, 2010 and 2011, 7,5 credits.
- SLU: Module responsible and main teacher, “Skogsekonomisk grundkurs”, (business administration, accounting), bachelor course, 1,5 credits (of 12 credits) , 2009, 2010.
- SLU: Course organizer, teacher, “Ekonomiska beslutsstöd i företag” (business administration), undergraduate course 4 credits, 2013, 2014, 2015, 2016, 2017.
- SLU: Course organizer, main teacher and supervisor, “Swedish and International Forest Policy”, (forest policy and economics) master course 7,5 credits, 2012, 2013, 2014, 2015, 2016, 2017.
- SLU: Module responsible and main teacher, “Skogens ekonomi”, bachelor course 2 credits (of 15 credits), 2017.
- SLU: Course organizer, main teacher, “Skogspolitik och naturvård”, bachelor course 15 credits, 2017.
- SLU: Examiner Bachelor thesis 15 credits, 2016.
- KTH (KTH Royal Institute of Technology) Module responsible and main teacher, “Miljöekonomi”, bachelor course 1,5 credits (of 7,5 credits), 2013, 2014, 2015, 2016, 2017.

Supervision

PhD candidate Mattia Ratti Luigi, planned defence PhD 2018-11, co-supervisor.

PhD candidate Guo, planned defence PhD 2018-05, co-supervisor.

PhD candidate Brian Danley, planned defence PhD 2018-02, co-supervisor (acting main supervisor)

Master student Mikael Palm, master thesis, 2012-2013, main supervisor.

Master student Fideli Ottosson, master thesis, 2014, main supervisor.

Master student Miguel Riviere, master thesis, 2015, main supervisor

Master student Linn Jakobsson, master thesis, 2015, main supervisor

Master student Per Wictorine, master thesis, 2017, main supervisor

Research Grants/Scholarships (since 2009)

- Formas, the Swedish Research Council for Environmental, Agricultural Sciences and Spatial Planning, 2008 (2009-2011), together with Göran Bostedt, Dept. of Forest Economics, Swedish University of Agricultural Sciences, and Camilla Sandström, Dept. of Political Sciences, Umeå University, Project grant “Konflikt över naturresursförvaltning: rennäring och skogsbruk ur ett ekonomiskt perspektiv” (Conflict over natural resource management: forestry and reindeer husbandry in an economic perspective). Budget SEK 2 770 000.
- “Lilla fonden”, Swedish University of Agricultural Sciences, 2010 (2010-2011), Project grant “Generell naturhänsyn i skogspolitiken – hur fungerar den och vad kostar den” (General environmental consideration in Swedish forest policy – how it works and what it costs). Budget SEK 80 000.
- Formas, the Swedish Research Council for Environmental Agricultural Sciences and Spatial Planning, 2014 (2014), together with Anna Zackrisson, Dept. of Political Science, Umeå University, Urgent grant, International conference arrangement – From Generation to Generation. Budget SEK 85 000.
- Vetenskapsrådet, the Swedish Research Council. 2014 (2014), together with Anna Zackrisson, Dept. of Political Science, Umeå University, Urgent grant, International conference arrangement – From Generation to Generation. Budget SEK 37 500.
- Faculty of Forestry, Urgent grant, international conference arrangement – From Generation to Generation. SEK 100 000.
- Stiftelsen Lars Hiertas minne, 2013 (2014). Project grant. Economic effect of consultations – an analysis of common forest land use in northern Sweden. SEK 33 000.
- Future Forests, 2014. Project grant. General environmental consideration in Swedish forest policy. Budget SEK 70 000.
- FP7 ERA-NET SUM FOREST, 2016. (2016 – 2020) Project grant. POLYFORES (Decision-making Support for Forest Ecosystem Services in Europe) €1 656 342.

Evaluation committee

- Ljung, E. P. Traditional use of wildlife in modern society, Doctoral Thesis. Faculty of Forest Sciences, Umeå. Member and chairman of the committee.
- Evaluation committee for PhD thesis defense, Doctoral Thesis, Bertil Marklund, Umeå University, 2015. (member)
- Evaluation committee for PhD thesis defense, Doctoral Thesis, Thomas Kronholm, Faculty of Forest Sciences, Umeå, (deputy member).
- Evaluation committee for PhD thesis defense, Doctoral Thesis, Ulrika Widman, Umeå University, 2016 (deputy member).

Reviewer assignments

- Land Economics, fall 2006, spring 2011, spring 2012, spring 2014, fall 2015
- Forest Economics, fall 2007, spring 2009.
- Journal of Environmental Conservation, fall 2009.
- Environmental conservation, fall 2009.
- Caspian Journal of Environmental Sciences, fall 2010.
- Scandinavian journal of forest research, spring 2012.
- International journal of the commons, fall 2012, spring 2016.
- Ambio, spring 2012, fall 2016.
- Land use policy, spring 2013, fall 2013.
- Journal of Environmental Policy & Planning, spring 2013, spring 2014.
- SpringerPlus, spring 2013
- Journal of Ecological Economics, spring 2013.
- Journal of Canadian Forest Research, spring 2014
- Forest Policy and Economics, fall 2015
- Conservation Letters, fall 2016.

Presentations (since 2008)

- IASC, 12th Biennial Conference of the International Association for the Study of Commons, “Governing shared resources: Connecting local experience to global challenges”, Cheltenham, England, oral presentation, July 2008.
- Fakultetsdag (Faculty day), Markanvändning med olika syften – exemplet rennärning och skogsbruk i norra Sverige (Land use management with conflicting objectives. Forestry and reindeer husbandry in northern Sweden), Umeå, Sweden, oral presentation, September 2008.
- Board of Swedish University of Agricultural Sciences, Markanvändning med olika syften – exemplet rennärning och skogsbruk i norra Sverige (Land use management with conflicting objectives. Forestry and reindeer husbandry in northern Sweden), Umeå, oral presentation, October 2008.
- The 9th Sami Research Conference, Umeå Sweden, “Management of Multiple-Use Commons – Focusing on Land Use for Forestry and Reindeer Husbandry in Northern Sweden.” Oral presentation, March 2009.
- EAERE, Amsterdam, Netherlands, “Optimal Influence in Forest Management.” Oral presentation, June 2009.
- First Nordic Conference on Forest Policy Sciences, Uppsala, Sweden, “General Consideration in Swedish Forest Policy.” Oral presentation, October 2010.
- IASC, European meeting, “Shared Resources in a Rapidly Changing World”. Plovdiv, Bulgaria, oral presentation, September 2011.
- Sami Customary Rights in Modern Landscapes, Luleå, Sweden, oral presentation, August 2013.
- From Generation to Generation, Welcome adress, Umeå, Sweden, oral presentation, September 2014.
- From Generation to Generation, oral presentation, Umeå, Sweden, oral presentation, September 2014.
- Samråd mellan skogsbruk och rennärning, (consultation between forestry and reindeer husbandry), oral presentation and recorded by SVT to be broadcasted in TV, Umeå, Sweden, March 2015.
- Aktasne – Together 2016, oral presentation, Umeå Sweden, March 2016.
- SSFE – Forest-based sector into the bioeconomy, oral presentation, Oslo, Norway, June 2016.

Other academic merits (since 2009)

- Project leader 2009-01—2013-12 “Conflict over natural resource management: forestry and reindeer husbandry in an economic perspective”.
- Responsible for arranging higher seminars on the Department of Forest Economics, 2006-09-01 – 2008-12-31.
- Responsible for planning of “Forest policy in an international perspective”, new master course available spring 2012, 2010-05-15 – 2010-09-01.
- Assigned by the Swedish University of Agricultural Sciences to review governmental reports
 - “Skog utan gräns” SOU 2009:30, spring/fall 2009
 - “Vissa samepolitiska frågor” DS 2009:40, fall 2009
 - “Renbeteskonventionen Sverige-Norge” DS 2010:22, fall 2010
 - “FLEGT – Nationell tillämpning av FLEGT – Forest Law enforcement, governance and trade. fall 2010
- Chair and project leader and chair of the scientific board, for the third European IASC meeting, “From Generation to Generation – the use of commons in a changing society”, Umeå, 2011-2014. Conference 2014-09-16 – 09-19.
- Assigned by the Faculty of Forestry, Swedish University of Agricultural Sciences to act as a substitute in the nomination committee responsible (“valberedning”), fall 2012 – 2014/06.
- Assigned by the Faculty of Forestry, Swedish University of Agricultural Sciences, to act as vice chair in the nomination committee (“valberedning”), 2014-06-2015.
- Assigned by the Faculty board to act as a member of the scholarship board for “Lilla Fonden”, at the Faculty of Forest Sciences, for the period 2013-2015, 2016 --
- Member and vice head of the “Programnämnd Skog” (council regulating undergraduate education at the Forestry Faculty), Swedish University of Agricultural Science. 2014 – 2015.

- Member of the “Programnämnd Skog” (council regulating undergraduate education at the Forestry Faculty) Swedish University of Agricultural Sciences. 2016 --
- Project leader 2014-01 – 2017-06 “Evaluation of the Swedish Forestry Model” – a project within Future Forests.
- Project leader 2015-01-01 – 2016-12-31, “Co-management and production costs in multiple use commons”.
- Board member of Scandinavian Society of Forest Economics, 2015-11 —
- Special issue editor, Journal of Forest Economics, 2016.
- Member of organization committee ISSRM, Umeå, Sweden, 2015 – 2017.
- Member Scientific board IASC, Utrecht, the Netherlands, 2016-2017.
- High Level Expert Panel Food Security and Nutrition, FAO, Forestry, April 2016 -

Publications (since 2006)

Dissertation

- Widmark, C. 2009. Management of Multiple-Use Commons – Focusing on Land Use for Forestry and Reindeer Husbandry in Northern Sweden. Doctoral Thesis, No 2009:16, Faculty of Forest Sciences. Umeå.
